

Our themes for this term will be Transport and Autumn. For 'Transport,' we will be looking all the different modes of transport that we can use to get about including emergency vehicles and going into space. 'Autumn' we will look at the different changes that this season brings to the environment. Such as the change in weather and what clothes we need to wear, the leaves changing colour and falling from the trees and all the different animals that we see collecting their food for winter.
